A Tear of Love

A tear of love I'll wear
To always remember you.
A love that was genuine,
A love that was true.

We shared a special love
While you were here with me.
The love I still carry
That I'll take to eternity.
©Deborah J. Birdoes

Love Carries On

I am still weeping for you
For it takes time to heal.
As I hold all my memories
Even death cannot steal.

You live in my heart
Because love carries on,
Though the tears still flow
Now that you're gone.

I will live my life.
A smile I'll begin,
Until I see you one day
And live again.

Tears to Share

There's not just my tear
But two tears that we share.
Two tears pouring down
Because we both care.

There's a tear that I feel
And the one you feel, too.
Because of love we shared
Between me and you.

I know you miss me too.
We share the same tears.
You are a part of my heart
Where you're forever so near.

Tear of Strength

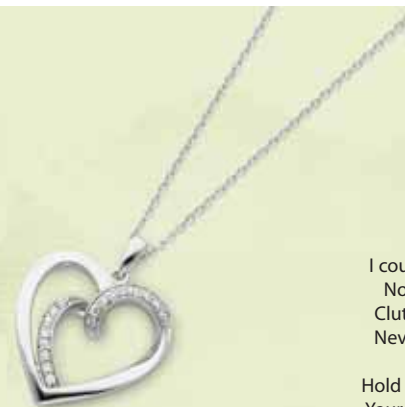

I know you cannot see
All the pain I have inside.
I keep it hidden in my heart
Ever since the day you died.

It doesn't mean it isn't there.
Don't think my heart's not broken.
I am full of sorrow and of loss
And words that were never spoken.

Yet I know you want me to go on
And stop my questioning why,
And live my life to the fullest
As if you had never died.

Someday I won't hurt as much
Even though the days are long.
Inside my heart I hear your voice,
Carry on and please be strong.

Through the Heart of Love

Love becomes a path,
Where the heart can find its way.
Love cannot be bought there,
For it is only given away.

Once you have found it,
You must open your eyes to see,
That the gate of happiness,
Love holds the master key!

It is best that we care for it,

Yet one thing will always be.
It is the bond of love we share.

Mother

A Part of My Heart

It doesn't matter where you are
Whether close or very far.
You'll always be a part of me
Forever you will always be.

Just call my name, I'll be there
To show how much I truly care.
Bound by love, it keeps us strong.
In my heart where you belong.

The future none of us can see.
What lies ahead is a mystery.
Today, tomorrow, it's all the same.
The love we have will never change.

But it's You I want to see.

Following in Your footsteps,
In my heart I want to say,

Help me to see Your way.

I want to feel good and wait.
I am listening from my heart.

A Restored Heart

REVERSE SIDE READS:
A RESTORED HEART

I did not deserve it
But You did it anyway.
You took my heart of tears
And wiped them all away.

You spoke to my heart
I told You I was sorry.
I asked You for forgiveness
You showed me Your glory!

A new spirit lives in me.
No trace of my shame.
On that cross to Calvary
You took all of my blame.

Thank you for what You've done,
A heart of stone You've replaced.
I look inside my heart
And see a reflection of Your grace.

MESSAGE:

In Old French, the name fleur de lis translates into "flower of the lily." The symbolism of a fleur de lis goes beyond the simple floral image, however. The three spikes are suggestive of the Holy Trinity, and also of a common trio of Christian values: faith, wisdom and chastity. As such, the fleur de lis serves as a symbol of purity and Christian faith.

This pendant is a reminder of following that path of purity. The Lord is a rewarder of those that follow and obey his decrees.

VERSE:

The Lord rewarded me for doing right, he restored me because of my innocence. For I have kept the ways of the Lord: I have not turned from my God to follow evil. I have followed all his regulations; I have never abandoned his decrees. I am blameless before God; I have kept myself from sin. The Lord rewarded me for doing right. He has seen my innocence.

Celebrate the bond that strengthens:
Sisterhood, friendship, or family.
It is a bond that keeps us together
Whether it is you or whether it's me.

It is motivated by the power of love
In good times as well as bad.
It makes us stronger with support
If we are happy or just sad.

Our circle of strength symbolizes
Encouragement to bless our soul,
Finding a place of security
Where trust can truly grow.

Our circle also symbolizes
The hopes we carry inside.
As we gather more people as we go
And watch our circle grow wide.

In my books upon my shelf.
Looking for some wisdom,

In Your grace, You found me.
